

WE ARE ONE BRICK SHORT

Providing a safe house for men with or without children fleeing family abuse. We need your help to keep operating.

Our goal is to raise \$500,000 by September 2013. Help us make this goal a reality by purchasing a brick for \$20, or make a real statement of support by purchasing a keystone or cornerstone.

Learn more by visiting us online at www.familyofmen.com today.

Domestic abuse victims by gender:

2010 Statistics Canada

	6.4%	The percentage of women that experience domestic abuse at the hands of their spouse.
	6.0%	The percentage of men that experience domestic abuse at the hands of their spouse.

Number of funded shelters for victims of domestic abuse by gender:

	593	The number of government funded shelters for women fleeing domestic abuse.
	0	The number of government funded shelters for men fleeing domestic abuse.

About the Mens Alternative Safe House (MASH)

MASH is for male victims of family abuse with or without children choosing to safely remove themselves from a family abuse situation. A supportive, non-judgmental environment, MASH provides relief from a stressful situation, and affords a stable base from which to seek support.
